This matter was opened to the New Jersey State Board of Nursing ("Board") upon receipt of Trisha B. Davis-Caldwell's application for licensure by endorsement. Upon a review of the application, and the results of the Criminal History Background

Check, it was ascertained by the Board that although the applicant had checked "no" in response to the questions relating to arrests and/or convictions on her application and on the Criminal History Background Check, she had been convicted on May 11, 1993 of shoplifting in violation of N.J.S. 2C:20-11B, sentenced to 80 hours of community service, and assessed \$425.00. The applicant explained that she had forgotten about the incident, which had occurred almost twenty years ago.

The Board finds that respondent knew or should have known that her response was inaccurate, and that she therefore engaged in misrepresentation on her application in violation of N.J.S.A. 45:1-21(b).

The Board finding that licensure as well as entry of the within order are appropriate, and sufficiently protective of the public health, safety and welfare, and for other good cause shown;

IT IS ON THIS 8th DAY OF June, 2012

HEREBY ORDERED AND AGREED THAT:

1. A \$250.00 civil penalty is hereby imposed upon respondent for the violation of N.J.S.A. 45:1-21(b). Payment shall be in the form of a certified check or money order, and shall be submitted along with this signed order.

2. The applicant's application for licensure shall be granted upon payment of all applicable fees.
